

# Sensory Equipment Lending Library

New for 2021!

The moment the word 'sensory' is placed on a product it seems to double in price. But for children and adults with autism, ADHD and other neuro diversities, these products can help to calm and regulate their internal systems and provide much needed sensory input.

[www.autisminclusive.org.uk](http://www.autisminclusive.org.uk)

To help ease the cost, Autism Inclusive is now offering a lending library of sensory kits. Fully funded by the Randal Charitable Foundation, we will have four kits available for hire, for two weeks at a time.

Sensory Kit number 1:  
Calming Pack (rrp £130)

This bundle includes a Laser Sphere, Magic Mirror Fish, a weighted lap pad, Massage tool, pots of dough, and various toys (items may vary).

All items will be cleaned and disinfected upon return, with items such as dough replaced with fresh products for each hire.

Sensory Kit number 2: Projection Light and Play Pack (rrp £120)

The pack includes a pop-up tent, a Galaxy Light and Laser Sphere, and torches that can shine onto reflex panels to create effects.

All items will be cleaned and disinfected upon return.

If you would like to hire a sensory kit from us, please email us at [contact@autisminclusive.org.uk](mailto:contact@autisminclusive.org.uk)

Collection of kits from Autism Inclusive.

(Please ensure items are treated with care)

The Randal Charitable Foundation is an organisation that seeks to help the socially disadvantaged and to significantly improve the quality of life for those in need.
