

SHORT BREAKS ACTIVITY CLUBS

AT THE CAUDWELL INTERNATIONAL CHILDREN'S CENTRE

Caudwell Children run **FANTASTIC, FREE, FUN** Short Break opportunities for young people with a disability and their families living within Cheshire East Council.

SHORT BREAKS are activities for children and young people with Special Educational Needs & Disabilities, run to enable them to have fun, spend time with friends and build upon their confidence and skills, in a safe, inspiring and welcoming environment.

The child or young person with SEND can attend the activity without their families. This gives parents and carers the opportunity to have a break from their caring role. Parents are welcome to stay, have a drink and meet with other parents at the centre if they prefer to stay for the session.

WHAT FAMILIES SAY ABOUT CC SHORT BREAKS

Short Breaks have provided a great structure to our weekends, filled with well resourced, good quality, fun activities. Ollie really enjoys the sessions, especially baking and art activities. Not to mention being able to interact with others, especially during the lockdowns.

Polly has absolutely loved seeing other learners, having interaction with the staff and being valued and part of something special. She has really enjoyed doing all of the activities and done things we wouldn't have thought she would like. It has challenged her in a gentle way to try so much.
