

# Super Safeguarding Newsletter

**January 2022**

This edition of the newsletter focuses on some of the great work done across Cheshire East during Anti-Bullying week in November 2021

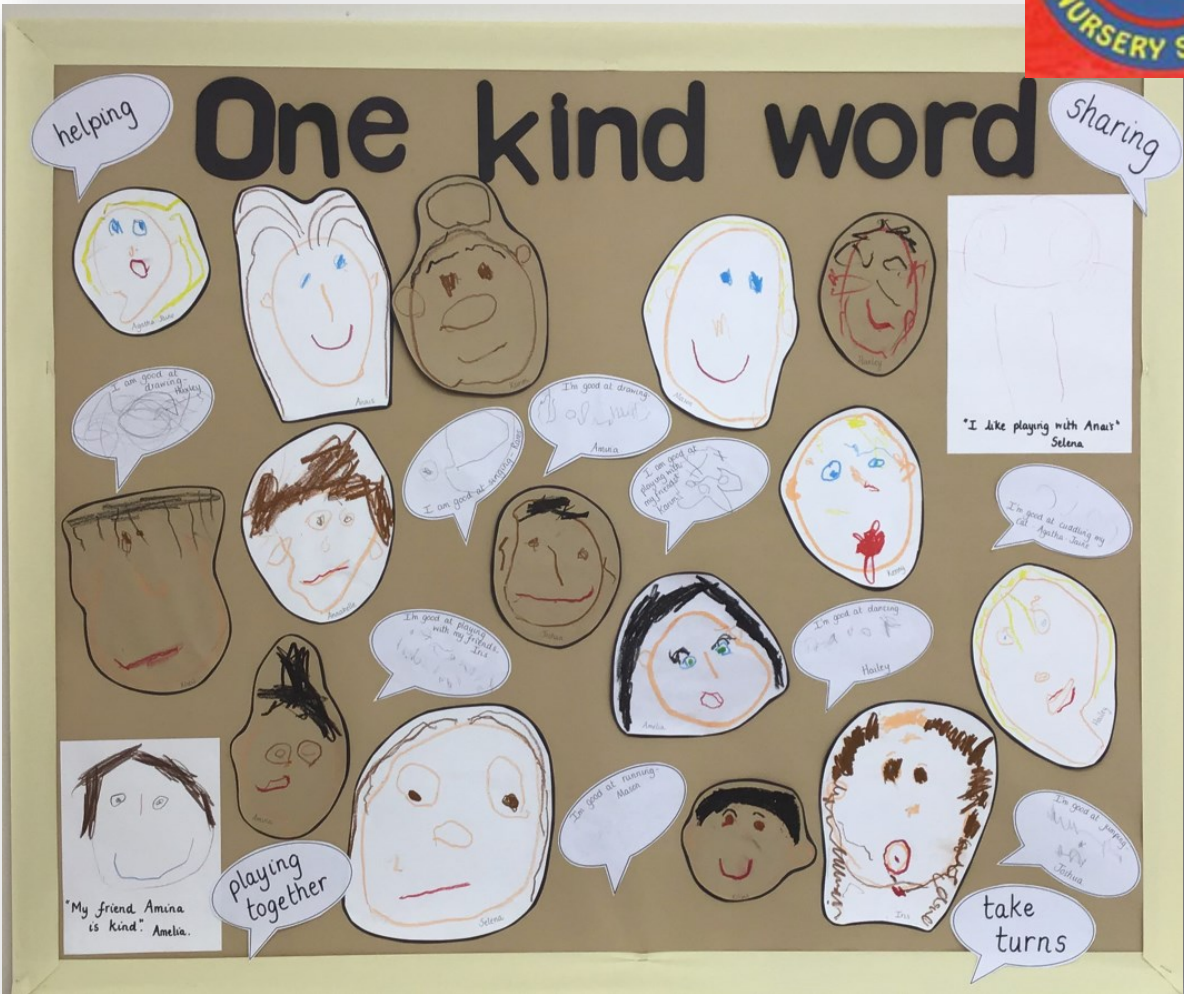

## Some of the Kind Words from Alsager Highfields Community Primary School

As part of Anti-bullying week we all designed a hexagon with one kind word, this was the theme this year, and it means we have 230 kind words which will be proudly displayed in our hall for us to reflect on over this term and beyond. We also discussed respect in assembly and how this contributed to making our school safer and a joyful place to learn.

# Westminster Nursery School

## Cranberry Academy

For anti-bullying week, this week, we have been spreading kindness, following the theme 'One Kind Word'. We held a special assembly where we talked about kindness and the power of sharing kind words.

We dressed in bright colours for the day to help remind us of the importance of kindness.

We also announced our safeguarding champions for the year (2 children who applied for the position). Their role in school is to help keep everyone safe, and happy while here. This week, their challenge is to encourage kindness in everyone!

Classes have been following up the theme of kindness in their classes throughout the week in their PSHCE sessions too.

## The Learning for Life Partnership

The children in The Learning For Life Partnership (TLFLP) schools have been working together on an anti-bullying mantra. During the discussions, where members of each school met via Zoom, the children came up with the mantra "BE THE I IN KIND." They did their schools proud with their ideas for 'One kind word' and were able to talk about what helps them feel safe in their schools. For anti-bullying week they completed a video to share with their communities. A big thank you to the pupils from Wheelock Primary, Wistaston Church Lane Academy, Leighton Academy, Shavington Primary and Daven Primary.

## More News from Alsager Highfields Community Primary

We have been really lucky to meet different people as part of our role in school over the last few weeks. Mrs Howard, our safeguarding governor visited us this week to discuss her role as governor and also to explore our roles as Junior Safeguarding Ambassadors. She was very impressed with what we had achieved so far and our ideas for the rest of the year.

A few weeks ago we also met Ruth Gee from the SCIES Team. She talked about her role and we asked lots of questions. She talked about the importance of our roles and responsibilities and we shared why we wanted to be Junior Safeguarding Ambassadors.

Last week we linked up with Parliament UK with our School Council to learn about the role of Parliament and how laws are passed and MPs are voted in like we were. It was great to understand about the laws that keep our country safe and how they have to have Royal approval.

**Let us know what your Safeguarding Groups have been up to in the past term.**

We will put any articles and photographs in the next edition of the Super Safeguarding Newsletter.
