

Getting a haircut with masks

Going to get my hair cut is going to be different than I am used to.

Usually when I get my hair cut, we don't wear masks.

But, for a while it will be different. My hair stylist will be wearing a mask.

It's okay! He or she can still talk to me!

Under the mask,
my hair stylist still has a
mouth and a nose.

At some salons, the hair
stylist is the only one who
wears a mask.

In other salons, we both
wear a mask.

We can have fun looking in the mirror to see what we look like with masks on.

Wearing a mask when I get my hair cut is different. But, it will help protect us all from germs. It will be okay!
