9th November 2020

Dear, Highfields School

To all of you who have kindly donated to your Harvest Festival food collection for Alsager Food Bank we would like to say a big THANK YOU. It was wonderful to receive such a good selection of food we very much value the non-perishable products as we find ourselves in unprecedented times of a world pandemic, very unsure of demands over this winter as we may see people coming forward for food parcels who didn't think they would ever need our help.

It was lovely to receive unexpected donations due to these difficult times, from many churches, schools and groups around Alsager and surrounding district. Please continue to contact us with referrals as many people may not know who they can turn to for help.

We are an independent food bank and run by volunteers and with food provided by public donation this year (2020) we have supported around 117 households so far (last year we had 104 referrals for the whole year Jan-Dec) with a diverse section of the population. We can only meet the needs of people in crisis with the help from the community - For the Community by the Community

Thanks for your generous donations

Tracey Abbott
