PARENT WORKSHOPS

Parent Workshop: Supporting children with Additional Needs.

Visyon's Family and Community Wellbeing Team are pleased to offer a **90-minute Parent Workshop**. In this workshop we will explore the different categories of Additional Need and how they can impact children's Mental Health and Wellbeing. We will examine how you can identify a child's needs, in various environments (especially at home and at school) and how you can support them. We will provide information on a child's rights and how you can ensure that they receive the appropriate support and acceptance in their various environments.

The Workshop is available to the families of children in **Alsager** and will be held **at the Alsager Highfields Community Primary School in Alsager** for **face-to-face** delivery. If you would like to book a place on the Workshop, please contact the FamiliesandCommunitiesTeam@visyon.org.uk, who will contact you with further details. **Please state the Workshop name and date in your email subject box.** Places are limited and will be allocated on a first come basis.
